

Greetings my fellow patriots -

If you missed January's meeting last night, see the attached recap. We celebrated our **first full and very successful year** of operation. We continue to grow.

FOUR items for you in addition to the RECAP report:

### **FIRST**

Seal Beach patriots are working to build off the successes of the neighboring city of Huntington Beach by **TAKING BACK THEIR CITY COUNCIL** to responsive and conservative control. They are walking THIS WEEKEND to elect Lisa Landau, District 3, and Nathan Steele, District 5, to come along side Pete Amundson to take back the city.

If you can help, email or call Hope Horning at [hopehorning@gmail.com](mailto:hopehorning@gmail.com) or (714) 833-1654. She will send you details.

It is proper for CPOC patriots from around Orange County to come in as reinforcements to this fight....then we'll move on to the next city.

### **SECOND**

CPOC has endorsed and supports HARMEET DHILLON as the new RNC chairwoman. Here's just part of the reason why.

Read her Op-Ed here: <https://townhall.com/columnists/harmeetdhillon/2023/01/17/the-republican-party-must-adapt-to-win-n2618341?fbclid=IwAR2qjJLn9R5JMXGoLifoEEALgTFHPrsRk6kOcVn9tAXczt8A6Ltvix6XTMY>

Read our Press Release here: [https://conservativepatriotsofoc.org/documents/pressers/230105\\_Presser.pdf](https://conservativepatriotsofoc.org/documents/pressers/230105_Presser.pdf)  
Voting takes place January 27 in Dana Point, so time is of the essence.

Our California Representatives to that vote are Shawn Steel at [shawnsteel@Shawnsteel.com](mailto:shawnsteel@Shawnsteel.com) and Jessica Patterson at [chairwomanpatterson@cagop.org](mailto:chairwomanpatterson@cagop.org)  
Contact them and tell him to cast his vote for Harmeet. Tell Shawn that we want to hear a strong and vocal support for his colleague, Harmeet, or we'll find somebody to primary his wife. Keeping her in elected office seems to be the only thing that motivates him.

### **THIRD**

I discussed The New American Magazine and the Freedom Index rankings of our Congressional representatives last night.

### **FOURTH**

Peggy Hall had been scheduled to be our February speaker to update on her lawsuit against Orange County for breaking the law concerning lockdowns without proper, recurring review of the declared "health emergency." This has been a difficult road as Peggy fights this cause on our behalf. I am asking that our members pray for Peggy Hall. She has had to raise the funds to pay the attorneys, who are fighting the county attorneys. Of course, the county just uses our tax dollars to defend the indefensible with the hopes of just wearing out the proponents. It's despicable. If you can donate to the legal fund, visit: <https://www.thehealthyamerican.org>

I am holding out hope that she will still be able to be our featured speaker in four weeks. Pray for her strength and for calm assurances from the Lord of all justice.

In your service,  
Deborah Pauly, J.D.

# Conservative Patriots of Orange County

## January Meeting

### The Broke Woke Tour

President Deborah Pauly opened the January 19 meeting, welcoming 100+ members and guests anxious to make 2023 the year conservatives take back Orange County, California and our country. She shared highlights from CPOC's amazing first full year, thanking her dedicated board of directors. Deborah mentioned two important organizations that help the conservative cause: John Birch Society (insert) and Open Secrets, which tracks money in our nation's politics. Deborah also ...

**GAVE A "YUGE" THANK YOU TO OUTGOING TREASURER NANCY TUCKER WHO HAS DONE AN OUTSTANDING JOB!**

We enjoyed a *muy grande* Mexican buffet dinner as Chaplain Faith Canedo led us in prayer followed by Americanism Chair Betts Rivet reciting *The Pledge of Allegiance*.

Our own Election Integrity committee provided important updates with two immediate calls to action: letters everyone was asked to sign regarding issues at the OC Registrar of Voters. L-R: Cheryl Frink and Susan Stivers.

Linda Cone gave a preview of our March meeting which will be all about EDUCATION! Everyone concerned about the plight of our current public schools should attend the March 16 meeting. We want our children to be educated, not indoctrinated. A strategic plan will be presented.

We had a short break for fellowship and churros.

Then our featured speaker took the podium. Steve Baric, former vice chairman of the California GOP, Chairman of Republican Lawyers Association and Attorney for Larry Elder during the recall, offered fascinating and brutally honest insight for the multiple challenges ahead.

As the meeting came to a close, VP Ways & Means Martha Ming shared \$137 from the 50/50 raffle.
