

# PAULY'S PERSPECTIVE

A Message from Our President Deborah Pauly, Esq.

## We Are Being Overrun by Domestic Enemies of the Constitution Bring Reinforcements to Join Patriots in the Battle for Our Nation

Fresh from celebrating Biden's proclaimed "Transgender Day of Visibility" I am writing *Pauly's Perspective*. Today is April 1 (aka April Fools' Day), so you'd think we'd be celebrating the Transgender Day of Visibility today, but no....Biden proclaimed Easter Sunday, March 31 for that blasphemous distinction.

When I first heard about this, I could not believe it was true. Had Biden officially proclaimed Easter Sunday as Transgender Day of Visibility? I went to the official White House website. Here is the opening of the proclamation. You may read Biden's full Proclamation for yourself [here](#).

It is beyond outrageous!

### Injustice

But wait, there's more: On Wednesday, March 27, the California State Bar recommended disbarment for one of the top Constitutional Law attorneys in the country. You can read all 128-pages of State Bar Court Judge Yvette Roland's Discussion and Order of Involuntary Inactive Enrollment against Dr. John Eastman [here](#).

Judge Roland pronounced that "after full consideration of the record," the Office of Chief Trial Counsel of the State Bar of California had met its burden of proof on 10 of the 11 charges against Dr. Eastman. However, much of the evidence and expert testimony offered by Dr. Eastman's defense team was denied by Roland, so she could not have considered the full record. She did not want to consider the full record. Further, Roland went against Eastman on nearly every evidentiary objection made. At one point during the trial, she was actually making the State Bar's argument for it.

So much for an impartial and unbiased bench.

CPOC and most ethical organizations, like the Claremont Institute, support and stand by Dr. Eastman, who says he will appeal. Let's keep Dr. and Mrs. Eastman in our prayers.

### Social Media

Nonetheless, we, Patriots, are called to persevere and continue to fight for our country, even when our government is wrongheaded. CPOC is continuing its outreach to spread the word about our God-given rights under the U.S. Constitution. Newly appointed Social Media Officer Lisa Frank gave a quick tutorial on Instagram at our March meeting, and we've increased followership by about 20-percent in just one month. If you are on Instagram follow CPOC [here](#). If you are not on Instagram, see Lisa at an upcoming meeting. She'll guide you.

## May 4 Parade

CPOC has participated in the City of Orange May Parade for the past two years, where we project our image of unapologetic patriotism and are very well-received by the community. WE NEED VOLUNTEERS TO MARCH WITH CPOC!! The official parade theme this year is “May the Fourth be With You.” However, CPOC’s theme remains the same every year: Red, White, and Blue! If you can join us, please contact Public Relations Officer Laura Thomas at [laura@laurathomas.com](mailto:laura@laurathomas.com) or see her at an upcoming meeting. The parade is actually a lot of fun.

## Young Patriots

Our Young Patriots Committee (YPC) has been forming with a soft launch in March and again in April. Laura Thomas is the liaison between the CPOC board and YPC. We are identifying emerging leaders, under the guidance of YPC advisor Rita Jakel. Young Patriots are those between the ages of 14 and 25 with a valid student ID. Those under the age of 18 must be accompanied by a parent or legal guardian. CPOC will offset the costs of meals, training opportunities and events to encourage our young leaders. For instance, this month, we are offering a “Bring a Buddy” package. Young Patriots pay only \$20 for the meeting and meal. However, if they “Bring a Buddy” to the April meeting, both will attend for only \$30.

If you know of any YOUNG conservative with a fire in their belly for politics, activism or government, please invite them to attend the April meeting. Keep an eye out for promotions in May. May is our hard launch, and we have a surprise in store that everyone will enjoy.

## Firearms Day of Visibility

Our April meeting aligns with 2nd Amendment Day, so we are focusing our sites on gun rights, gun safety, firearms training, and public awareness. Think of it as CPOC’s “Firearms Day of Visibility.” We’ll have a top-notch presentation by Firearms Training Associates, with opportunities for special hands-on outdoor shooting pricing at their gun range to put what we’ve learned into practice. PLUS, we’ll hear inspiring Constitutional foundations for our right to bear arms from a Constitutional attorney who focuses on 2nd Amendment issues.

Arm yourself with the information you need to guard and protect our Constitution from all enemies — foreign and domestic. Right now, from *Pauly's Perspective*, there are more domestic enemies than ever in our nation's history.

I look forward to seeing you all in a few weeks. Until then, may God bless and keep you safely in the palm of His mighty hand.
